

MHP : Supper Offer @ Kiwanis

Kiwanis Goals For 2001 - 2002

1. To raise our profile in the community
2. To increase our membership
3. To initiate fund-raising to offset negative budget

"While we are not in competition with other service clubs in the Greater Brockville Area that are performing valuable service to the community like us, we must seek out alternative strategies to promote Kiwanis to ensure that we can continue to serve the children of the world. During the last year we have made significant in roads on these goals." quoted from Brockville President, Larry Kowlessar's October report (to receive the complete report just ask, I have it on file)

Our Motto: Serving the Children of the World

The Club continues to reach for these goals. During the last year we have made significant in roads on these goals. With membership up 30%, increased profile awareness in the community via several key sources, and fund raising at all time highs and pledges increasing for great worthy causes, the local club is raising the bar on community service and awareness.

This club is certainly becoming an attractive venue to become involved at the service level.
