

MHP : The Blessing of Thanksgiving

"Not what we have, but what we enjoy, constitutes our abundance"

I wish to take this time to wish each and everyone a Happy Blessed Thanksgiving!

Most of you will receive this message after you return to work on Tuesday. I hope you had a great weekend. I think I had one of the best Thanksgiving Seasons that I can remember in a long time. We had a lot of fun, food, friends and family!

There is so much to be thankful for. There is so much hope and faith amongst everyone these days. I am very thankful for the relationships that I have with my clients and associates. I couldn't do it all without you. I am here to serve you and by serving you, my needs and my family needs are met. It's pretty basic stuff. I sincerely appreciate each and everyone of you and look forward to working and serving you in the future.

As the psalmist wrote:

Let us enter his gates with thanksgiving and his courts with praise; give thanks to him and praise his name. For the LORD is good and his love endures forever; his faithfulness continues through all generations. Psalm 100:4-5

I think that sums up the spirit that we need during this season of Thanksgiving.

Have a great day!

Blessings

Sincerely;

Timothy Ross
