Dear Tim,

As my financial advisor for over 10 years and it is time for me to thank you for the outstanding service you have provided me. You have demonstrated yourself to be knowledgeable in giving me investment advice and the efficient filing of my yearly income tax return.

As a single professional woman you have given excellent advice in the planning of my retirement and the rearrangement of my investments after the death of my mother. When asked questions regarding my financial situation you have answered them thoroughly and with sensitivity.

You have always demonstrated yourself to be genuinely interested in my financial portfolio. I have complete confidence in your abilities. I would invite any personal contact from potential clients that would like a personal recommendation for your services as a financial advisor.

Sincerely

Gilian M. Van Dort
